

VIRGINIA IS FOR LAYOUTS

March 17-18, 2012

Martinsville, VA

Smith River Sports Complex

Ultimate Frisbee is one of the fastest growing sports in the world. Ultimate is a fast-paced field sport that combines elements of basketball, soccer, and football. This spring, Smith College and Without Limits (<http://withoutlimitsultimate.com>) will be hosting a tournament called *Virginia is for Layouts* at the Smith River Sports Complex. Specifically designed to create a spirited and educational environment for up-and-coming teams, Layouts is shaping up to be one of the most competitive and high-profile women's Ultimate tournaments in the United States in 2012.

We expect to bring about 500 people to the Martinsville area, and we are asking for the support of local businesses to create an amazing experience for the players and teams, as well as to maximize the impact on the local economy. The tournament we hosted at the Smith River Sports Complex last September brought in thousands of dollars to local businesses. Our hope is to replicate that effort, as well as bring another event to the community in Fall 2012.

There are a number of ways to get involved!

SUPPORTER (In-kind, coupon, or cash donation < \$200)

Benefit: Name on Sponsors page of website, logo in information packet distributed to every team

SILVER SPONSOR (In-kind, coupon, or cash donation \$200-\$499)

Benefit: Same as Supporter level, plus full-page flyer distributed to each team and custom email message sent to all tournament contacts

GOLD SPONSOR (In-kind, coupon, or cash donation \$500+)

Benefit: Same as Silver Sponsor level, plus logo on signage at Tournament Central and invitation to set up table at event

Please email us for more information: contactus@withoutlimitsultimate.com

Tournament website: <http://virginiaisforlayouts.wordpress.com>

We look forward to seeing you in beautiful Martinsville in March!
