About Disc Golf

Disc Golf is a easy game to pick up. It requires little equipment, other than a disc and is free to play! Scored by the number of throws, the player with the least throws, wins!

There are different styles of disc similar to original golf - driver, mid-range, and putter discs. Discs can be purchased at the Martinsville Parks & Recreation Office and at Southeastern Outdoor Supplies in Figsboro, VA.

Call Martinsville Parks and Recreation for questions 276-403-5140 or visit us online at www.martinsville-va.gov or www.wilsonparkdgc.com.
